University of Toronto

The Association of Tourist Resorts of Ontario is an organization of approximately 200 of the province's best vacation establishments. Our membership offers nightly accommodation to more than 18,000 guests. Because we want those guests to keep coming back, we've voluntarily banded together to maintain the very high standard of cleanliness, good food, courtesy, fair dealing and good value for your vacation, meeting or convention dollar.

ATRO is now over 30 years old and we've had a great deal of experience in looking after tourists, vacationers and delegates who come to one of our fine Ontario resorts.

This book is a listing of the ATRO resorts throughout the province that cater to the meetings and convention trade and is designed to assist the conference organizer in site selection. We suggest that for more detailed information, you contact the desired resort or write:
